PROCEDURE

1. One half hour before the commencement of the competition, all club teams, who must be present in their entirety, must report to the Chief Steward at the competition venue in order that the ballot for order of appearance can be made. Failure of any team to report at this time will mean disqualification of that team.
2. All Chair's will be supplied with proforma biographic sheets. They must complete these as fully as possible prior to this time and hand to the Steward in charge on arrival. The Chair's proformas passed on to the Chair of the competition so that he/she can introduce the Chair of the platform team.
3. Competitors may then join the audience but all team members will be required to report again to the Steward in charge not less than 15 minutes before they are due on the platform.
4. The Proposer & Opposer- the Proposer & Opposer will select a subject of their own choosing and will give a talk of approximately four minutes duration each. The Proposer will speak for the subject whilst the Opposer will speak for the opposite point of view.
5. The Opposer is not expected simply to use arguments to destroy the Proposer's text. In this way, both speeches will be positive and the result will be a DISCUSSION AND NOT A DEBATE.
6. Following the speeches there will be a period of questions & answered from appointed Question Masters.
7. A maximum of four minutes is recommended for completion of the questions and answers. The Chair should invite the Question Masters to put at least one question to each of the speakers.
8. The Chair- is expected to take control of the whole meeting and introduce the speakers to the audience and judges. After the speeches are finished he/she will call for the questions from the appointed Question Masters and at the end of the questions; he/she will wind up the team's performance. For all of these duties, three minutes are recommended.
9. Each team member may use brief notes, but speakers will be penalized for reading their speech. Lecterns may not be used.
10. The time allowed for each team is 15 minutes. Other times are only suggested and marking will be on total time only.
